## **FORWARD LOOKING STATEMENT**

This presentation includes certain “forward-looking statements” within the meaning of section 21E of the United States Securities Exchange Act of 1934, as amended. Forward-looking statements include without limitation, statements regarding future production, potential mineralization and reserves, exploration results and future plans and objectives of Eagle Plains Resources Ltd (Eagle Plains). Forward-looking statements can generally be identified by the use of forward-looking terminology such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” or “continue” or the negative thereof or variations thereon or similar terminology. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from expectations are disclosed under the heading “Risk Factors” in Eagle Plains Resources 2005 Annual Report and under the heading “Trends, Risks, and Uncertainties” in the Eagle Plains 2005 Annual Information Form (AIF) which is filed with Canadian regulators on SEDAR ([www.sedar.com](http://www.sedar.com)).

## **Mission Statement**

Eagle Plains is committed to steadily building shareholder value by advancing our diverse portfolio of projects toward discovery utilizing collaborative partnerships and our highly experienced technical and management teams. The company's focus is to preserve our robust treasury, advance our most promising projects and continue to secure high quality, unencumbered projects through research, staking and strategic acquisitions.

## **Corporate Vision**

Eagle Plains' primary vision is to locate ore deposits in Canada. In pursuit of this goal, the company aspires to be the "partner of choice" for junior exploration companies and major mining companies seeking to acquire quality exploration projects and access our in-house technical expertise to collaborate for discovery.

This chart represents the value of Eagle Plains stock portfolio.

These shares are payments by partners that have optioned or bought Eagle Plains projects.

When considering share dilution, since 2011 EPL has sold 12m shares for proceeds amounting to \$5.27m, this would represent 52.7m extra shares had this been raised though equity financing at 10 cents.

The preceding chart does not include:

- value of cash payments made by partners
- exploration expenditures made by our partners

These items represent significant value in themselves and warrant a separate discussion. For a more complete discussion on this matter, please visit the [Investor Info](#) page of our website or contact Mike Labach at 866 486 8673
